We provide comprehensive insured assistance in the event of breakdown in the UK or across Europe, including:

- Emergency repairs - at the roadside or the client's home address.
- Transport to a local garage - if further repairs are required.
- Alternative transport - if repairs cannot be completed the same day.
- Repatriation from Europe - if repairs cannot be completed before a planned return to the UK.
- Hotel expenses - if the client needs to stay away from home while their vehicle is being repaired.

- Draining a fuel tank - if the vehicle is filled with the wrong fuel.
