

THE NEW DEAL...

...that's the real deal in
ATE insurance for clinical
negligence specialists in
Scotland from Temple
Legal Protection

Innovation has always been at the heart of what we do. As a consequence, Temple has led the after-the event insurance market with products that have become industry benchmarks. Broad insurance cover, competitive premiums and the highest personal service levels are guaranteed.

But we are always striving to be better and the results of our latest product review think tank has resulted in a 'New Deal' that raises the bar again. Here's the deal:

- **L**imits of standard indemnity - now raised to £300,000.
- **O**utstanding service - dedicated scheme managers and business support team.
- **W**e help more - and it's all under one roof; legal expenses insurance and outlay funding at the lowest interest rate in the market.
- **E**ven more flexibility - full delegated authority schemes tailored to the needs of your firm.
- **R**obust underwriting approach - peace of mind for both lawyers and clients. We stay the course; as one of our lawyer customers recently said, "Temple has the bottle"
- **P**ragmatic decisions - we step back to see the bigger picture when we work with our partner law firms. This often helps reach a mutually agreeable resolution.
- **R**etrospective cover - wherever possible this is offered, so there is no gap in our insurance protection.
- **E**xperienced underwriters - who really understand the law, practice and tactics of litigation.
- **M**ediation incentives - we maximise opportunities to resolve issues earlier and pass on premium reductions.
- **I**ntegrated insurance and outlay funding - using online, delegated processes that provide decisions within seconds.
- **U**nambiguous policy wordings - these are our clearest and most transparent terms yet.
- **M**ore for less - the most competitive premiums, even more cover and fewer exclusions.
- **S**olutions tailored for your client's needs - we have responded to law firm's business needs to provide the legal protection demanded by their clients.

You owe it to your clients to explore the New Deal from Temple Legal Protection. Ask our underwriters for a review of your current ATE insurance and outlay funding facility. You will not be disappointed.

Meet the Personal Injury and Clinical Negligence Underwriting team

Legal expenses insurance and outlay funding - all under one roof

Our market leading ATE insurance products complement our outlay funding perfectly. Both are available for all your clinical negligence and catastrophic personal injury cases and both are administered with the same easy-to-use online system.

By becoming a Temple Legal Protection ATE insurance coverholder your firm is then automatically eligible to apply for our outlay funding solution. With a low interest rate of just 10%, you've got to nothing lose. Here's why leading litigators use Temple -

- Outlay funding interest is only applied to funds used, not funds allocated
- There are no third party funders involved, no hidden charges and no ambiguity - just transparent, responsible lending
- Our ATE insurance products are backed by RSA, a leading UK insurer

Don't just take our word for it

"Having worked with Temple Legal Protection for many years in connection with our busy clinical negligence practice, it was only natural that we would look to Temple for our client's outlay funding needs. Since signing up, we have been able to grow our clinical negligence practice with confidence. The facility itself, and drawing down funds, is an example of simplicity. With the straightforward online interface provided by Temple, clients and firms alike can be sure that funds are received within a matter of a few hours allowing fee earners to get on with progressing their cases. Finally, as a business owner, the facility provided by Temple offers security for the firm going forward and adds value to the service we give to our clients."
